

# TPNEB

## TPN Extension Board

- Accessory for TPN Distribution Boards
- Main Neutral and Earth Bars included
- 18 module capacity

## The main technical parameters

## TECHNICAL DATA

Rated Operating Voltage	230/400V
Frequency	50Hz
Mounting method	Surface mounted
Number of rows	1
Width in number of modular spacings	18
Type of cover	Door
Manufacturing materia	Steel
Height	360 mm
Width	500 mm
Depth	111 mm
Net weight	8KG
DIN-rail	Yes
Colour	Grey
Degree of protection (IP)	IP20
With lock	Yes
Product Standard/s	BS EN 61439-3
CE Conformity	Yes
UKCA Conformity	Yes

Product and installation dimensions(MM)
